

About our free family event:
1st Generation Life After High School: Map to Success
Wednesday, March 11, 2020 – 6:30-9:00pm at CMS

Cockeysville Middle School and the CMS PTA invite you to attend “1st Generation Life After High School: Map to Success” – an evening of information, community building and resource sharing, on March 11th at Cockeysville Middle School. Dinner will be served 6:30-7pm and the program will take place 7-9pm.

This is a first-of-its-kind event at our school! We have gathered resources to share with families who are 1st generation college bound/trade school bound families. The program includes a keynote speaker, a discussion panel and a community information fair.

The gym will be open so that school-aged children can play while parents/guardians attend the program and information fair. Of course, children may remain with parents through the evening if preferred, and middle school students are especially invited to attend the program with parents if they wish. The fresh food Heart Market of the Maryland Food Bank will be open and giving away fresh foods, and there will be door prizes.

The event is free to all and all are welcome. Please let us know if you will join us by returning the form below. We are offering interpretation services to those who would find them helpful, so we need to know which languages to request as well as have some idea of how many will be having dinner.

Contact Kathryn Delahanty (DelahantyStewart@gmail.com) or Chris Eary (president@cockeysvillemiddlepta.org) if you have questions. (Snow date: March 18)

PLEASE LET US KNOW IF YOUR FAMILY WILL ATTEND
By March 1st to attend with language interpretation
or
By March 6th to attend (without interpretation)

Kindly fill out this form and send it to the CMS office or sign up online here: <http://bit.ly/CMS1stGen>

Parent/Guardian Name: _____

Email or phone: _____

_____ Yes, our family will attend with _____ # of adults and _____ # of children
